

## **ELECTRONIC RECYCLING**

**Electronics are a fast-growing portion of America's trash with 250 million computers destined to become obsolete by 2005.** (Source EPA: [www.pluginorecycling.org](http://www.pluginorecycling.org), [www.computertakeback.com](http://www.computertakeback.com))

Dell Computers Recycling Program is committed to meeting your needs, not only when you purchase and own computers but also when you are ready to dispose of them. As an environmentally responsible company, Dell provides an affordable and convenient reuse and recycling program – **environmentally friendly, easy to use and low cost (Continental U.S. only)**. For more information on Dell Computers Recycling Program, see this weblink...[http://www.dell.com/us/en/dhs/topics/segtopic\\_dell\\_recycling.htm](http://www.dell.com/us/en/dhs/topics/segtopic_dell_recycling.htm)

**Apple Computers will recycle your old PC with purchase of a new Mac.**

**Don't let your old cell phone contribute to the ever-growing problem of Electronic Waste generated in America!**

### **Nextel,**

Donate a Phone, and The Wireless Foundation has teamed up to help support the American Red Cross Armed Forces Emergency Services. Every year the American Red Cross provides critical emergency communications between military personnel and their families back home. As long as our troops are deployed, this service is vital and needs assistance. Now you can help support our troops by donating your old cell phone--just drop it off at any Nextel retail store. Visit [www.nextel.com](http://www.nextel.com) for a store near you. Help support our troops and keep military families and our country connected; donate Your Old Cell Phone today! For more information visit: [www.wirelessfoundation.org](http://www.wirelessfoundation.org) or [www.donateaphone.com](http://www.donateaphone.com) or call 1-800-797-8022.
